**NOTICE OF SUPPLEMENTAL AUTHORITY IN SUPPORT OF  
PETITION FOR PERMISSION TO APPEAL PURSUANT TO  
FEDERAL RULE OF CIVIL PROCEDURE 23(f)**

Petitioner Pueblo of Zuni respectfully notifies the Court of an Order issued June 21, 2007, by the Civilian Board of Contract Appeals in *St. Croix Chippewa Indians of Wisconsin v. Dep't of Health and Human Services*, No. CBCA 193-ISDA, and 298-ISDA through 305-ISDA (copy attached). The Order confirms Petitioner's argument, *see* Petition at 20; Reply at 1, that other Tribal contractors filing protective appeals prefer to be in the class. Recognizing this fact, other tribunals will stay further proceedings in cases challenging the Government's failure to pay contract support costs, pending the outcome of this Petition and plenary review in this Court of the district court's denial of class certification. The Board's action, repeated in

other cases, also indicates that, in the event the Petition is denied, such other proceedings will instead go forward, undermining Rule 23's goal of efficiency.

Respectfully submitted this 21st day of June 2007.

**Order Granting Motion to Extend Stay of Proceedings**

Appellant seeks an extension of the stay granted in the fall of 2006 by Judge Bernard Parrette until a decision on the Motion for Class Certification issued from the United States District Court of New Mexico in *Pueblo of Zuni v. United States of America*, Civil No. 01-1046 WJ/WPL. That decision, filed May 22, 2007, denied class certification, but an interlocutory petition for permission to appeal that decision has been taken.

In the instant case, the Government has pending a motion to lift the stay in order that its Motion to Dismiss might be heard. However, since the case would most likely be stayed in any event pending decisions in other cases before this Board<sup>1</sup>, Appellant's motion to
